ARTICLE I – PREAMBLE

This agreement is entered into on February 21, 2012 by and between the Public Health Trust (PHT) and Miami-Dade County, Florida (County), hereinafter referred to as the Employer, and Local 1991 Service Employees International Union, hereinafter referred to as the Union for the period October 1, 2011 through September 30, 2014 subject to ratification by the Union membership and approval by the Public Health Trust and the Board of County Commissioners of Miami-Dade County, Florida.

All new or amended provisions contained in this Agreement shall be effective the beginning of the first pay period immediately following ratification and approval by the Board of County Commissioners, unless a different effective date is specifically provided for in the affected article.

ARTICLE II – PURPOSE

It is the purpose of this Agreement to promote and expand harmonious relationships between the Employer and Employees represented by the Union; to provide, where not inconsistent with the Constitution, Charter, Statute, Ordinance or Personnel Rules, for the salary structure, fringe benefits and employment conditions of the employees covered by this agreement. Both parties agree that they share the responsibility to provide uninterrupted care to patients and citizens of Miami-Dade County.

In addition to standards of performance adopted by the Public Health Trust, including, but not limited to, appropriate audit methodologies, the Employer recognizes its obligations under the Department of Professional Regulations and Professional Standards as developed by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and the New Standards for Performance Improvement.

Upon ratification and approval, the provisions of this agreement will supersede Personnel Rules or Administrative Orders and/or other rules and regulations in conflict herewith. The Employer retains the right to establish through Administrative Order or Personnel Rules practices or procedures which do not violate the provisions of this contract.

All pronouns used in this Agreement shall be deemed to apply to both sexes, regardless of the particular gender of the pronoun actually used.
ARTICLE III – RECOGNITION

Section 1. Recognition

The Employer recognizes the SEIU, Local 1991, as the exclusive collective bargaining representative for the unit certified under FLA/PERC Case #RC-96-037 and FLA/PERC Case #UC-2004-016 for all employees employed by the Public Health Trust in titles of regular full-time and regular part-time attending physicians, including dentists and hospitalists - ECC.

This agreement also applies to attending physicians employed in “on-call” status working a minimum of twenty (20) hours per week in each of the prior six (6) months following date of hire.

Persons in such titles are hereinafter collectively referred to as “Attending Physicians.”

ARTICLE IV – SERVICES TO THE UNION

Section 1. Membership

A. Quarterly, the Employer will provide the Union with a printout and/or disk of the job title, department, unit and salaries of all employees in the bargaining unit. With written authorization from the employee, the Employer shall provide addresses and phone numbers. The Employer will provide the Union with access to the files maintained in the Personnel Office from which the Union may obtain information concerning the name, title, classification, step and salary of every member of the bargaining unit. In addition, the Employer will furnish the Union with a monthly list of all terminated and newly hired employees in the represented bargaining unit.

B. The Union will have one hundred fifty (150) copies of this agreement printed. The Union will distribute copies of this Agreement to all union members in the bargaining unit. The cost will be shared equally by the parties.

Section 2. Dues Deduction

A. Upon receipt of a properly executed written authorization from an employee, the Employer agrees to deduct the regular Union dues of such employees from their biweekly pay and remit the same to the Union within fourteen (14) calendar days from the date of the deduction. The Union will notify the Employer, in writing, thirty (30) days prior to any change in the regular Union dues deduction as provided by law. Any employee may revoke the Union dues deduction as provided by law.
B. Upon receipt of a properly executed written authorization from an employee, the Employer agrees to deduct COPE contributions from an employee’s biweekly pay in the amount designated by the employee and remit the same (separately from regular dues) to the Union within fourteen (14) calendar days from the date of deduction. The Union will notify the Employer, in writing, thirty (30) days prior to any change in the regular COPE dues deduction as provided by law. Any employee may revoke the COPE dues deduction upon written authorization.

C. The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders, or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this section.

Section 3. Non-Discrimination

There shall be no discrimination against any employee by the Employer or the Union because of race, color, sex, creed, national origin, age, marital status, disability, sexual orientation, political affiliation or Union membership or activity covered or described under this Agreement. There shall be no discrimination shown between equally qualified employees in work assignments, training, transfers, evaluations, promotions, layoff and recall, education and tuition assistance.

All employees covered by this Agreement shall be protected in the exercise of the right to join and assist the Union, or to refrain from such activity; to designate representatives for the purpose of processing grievances and to engage in other lawful activities for the purpose of collective bargaining or for the purpose of implementing any other rights provided under the Public Employees Relations Act or other pertinent laws, or the provisions of this Agreement.

Section 4. Bulletin Boards

The Employer agrees to provide the Union a suitable number of bulletin boards or bulletin board space for exclusive Union use in each work site where three or more bargaining unit members are assigned.

Section 5. Copies of Documents

The Employer will provide the Union with a copy of all manuals, job descriptions, personnel policies and administrative rules and regulations that are applicable to the bargaining unit and any changes thereto that are applicable to the bargaining unit.
Section 1. Union Representatives

The Union has the right to select its representatives to carry out the activities permitted by this Agreement, and will furnish the Employer with a list of elected officials and unit representatives for designated purposes within thirty (30) days after the execution of this Agreement. The Union will keep such lists current.

Section 2. Grievance Representation

The Employer recognizes the right of the Union to appoint not more than five (5) representatives at JMH and satellite facilities for the purpose of assisting employees in the adjustment of grievances under the terms of this Agreement. In the event of an expansion of the bargaining unit above the number of employees in the unit at the execution of this Agreement, the Employer agrees that the Union shall be allowed to appoint one (1) additional representative for each twenty (20) additional bargaining unit employees.

Section 3. Released Time

A. With prior approval from the employee's supervisor time off with pay shall be allowed to the Union representatives assigned to regular shifts to allow for participation in Union activities. Approval will not be unreasonably withheld.

B. No employee shall be paid for such time unless regularly scheduled to work at a time when such activities are going on; nor shall schedules be changed to allow paid time for such activities. In unusual circumstances, requests for schedule changes may be submitted by Unit representatives for approval by their supervisor or schedule changes may be made by the Employer.

C. Four (4) bargaining unit members will be allowed time off with pay for contract negotiations. Three (3) additional members shall be allowed release time without pay as long as their attendance does not compromise patient care in their area. The Senior Vice President, Medical Services, shall handle any such clinical disputes. The Union may rotate different members into these positions as needed so as to provide balanced representation from different healthcare delivery sites. The Union will make every effort to elect employees from various hospital centers.

Section 4. Adjustment of Grievance

It is agreed and understood by both parties that unit representatives designated by the Union may, without loss of pay, process grievances during working hours. An employee representative, before leaving the work area to transact appropriate Union-Employer business during working hours, shall first obtain permission from the appropriate supervisor. When it is necessary to contact an employee in another area, the representative will contact the
appropriate supervisor to arrange an appointment with the concerned attending physician(s). Permission will be granted by either supervisor as a matter of discretion but shall not be unreasonably withheld. The parties recognize that time spent in such activities shall not interfere with patient needs and, if necessary, shall be conducted on the employee’s own time.

Every effort will be made by the Employer to allow unit representatives to investigate grievances as rapidly as possible, preferably on the same date as the grievance becomes known, and when possible at least within twenty-four (24) hours.

ARTICLE VI – NOTIFICATION, CONSULTATIONS AND NEGOTIATIONS

Section 1. Prevailing Benefits Clause

Any benefits recognized by the Employer and heretofore enjoyed by the employee, which are not specifically provided for or abridged by this Agreement, shall continue under conditions upon which they have previously been granted.

Section 2. Notification, Consultations and Negotiations

The Employer shall notify the Union in writing of any proposed changes in personnel policies or practices which affect the conditions under which employees work. Whenever possible, such written notification shall be provided the Union at least four (4) weeks in advance of the proposed implementation of the changes. If requested by the Union within ten (10) days of its receipt of such notification, the Employer will meet with the Union to discuss the proposed changes and to negotiate in good faith over the impact of such changes on unit employees.

Examples of changes which entitle the Union to such notification include but are not limited to the following: The PHT or the County merging with or acquiring other hospitals or agencies; changes in job descriptions, specifications, qualifications or evaluation system; new or changed job classifications; changes in the Employer’s policies and procedures, work or disciplinary rules; changes in shift starting and quitting times; plans for opening or acquiring new units or reassignment of personnel; and such committee recommendations as the Employer wishes to implement even where the Union was represented on the committee making the initial recommendations.

Nothing in this article shall diminish the right of the Employer to take action described in the Management Rights and Scope of This Agreement Article.
ARTICLE VII – GRIEVANCE PROCEDURE

Section 1. Resolution of Grievances

In a mutual effort to provide harmonious working relationships between the parties to this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances arising between the parties as to the interpretation or application of the provisions of this Agreement.

It is agreed that every effort will be made by the Union and the Employer to resolve disagreements or disputes informally and promptly prior to the initiation of the formal grievance procedure and at the first step. An attending physician may be assisted or represented by a representative of the Union at each step of the grievance procedure. Unless the attending physician requests Union representation, nothing in this section shall prevent the Employer from discussing any incident or circumstance related to any attending physician without the presence of a Union representative. However, the Employer agrees not to deny representation if it is requested.

Section 2. Definition

A grievance shall be defined as any dispute arising from the interpretation or application of this Agreement, or arising from conditions of employment. A class grievance shall be defined as any dispute which concerns two (2) or more employees within the bargaining unit covered in the grievance. Class grievances should name all attending physicians covered in the grievance. Each written grievance, when filed, shall contain a brief statement of the facts of the violation claimed, together with the article of the contract violated and the remedy sought. All grievances shall be processed in accordance with the grievance procedure as set forth in this article.

Section 3. Step 1

The grievance shall be discussed with the attending physician’s Medical Director within ten (10) calendar days of the occurrence or knowledge giving rise to the grievance. The Medical Director shall reply within ten (10) calendar days after presentation thereof.

Section 4. Step 2

If the Union is not satisfied with the reply in Step 1, within five (5) calendar days thereafter the grievance shall be presented in writing to the Senior Vice President, Medical Services. This person, or designee, may meet with the grievant and the union representative and shall reply in writing within five (5) calendar days after receipt of the written grievance.
Section 5. **Amended Procedure for Certain Grievances**

Grievances concerning disciplinary action, health and safety or Union rights, together with all class grievances, shall be submitted in writing directly at Step 2 of the grievance procedure.

Section 6. **Class Grievances**

In order to minimize the disruption to patient care in the case of class grievances, no more than two (2) attending physicians per shift, per unit, plus a Union representative, shall be released from work for grievance meetings at Step two (2).

Section 7. **Time Limits**

Failure to observe the time limits for submission of any grievance at any step will automatically result in the grievance being considered abandoned. Failure to meet or to respond to a grievance within the prescribed time limit will automatically move the grievance to the next step.

Extensions of time limits shall only be by mutual agreement between the parties to this agreement, except that either party shall be permitted one (1) extension of time per grievance as a matter of right not to exceed five (5) days, providing that the other party is notified of the extension prior to the expiration of the original period.

Section 8. **Employee Obligation**

The parties acknowledge that as a principle of interpretation, attending physicians are obligated to work as directed while grievances are pending.

Section 9. **Employer Responses**

All responses required in Steps 1 and 2 above shall be directed to the grievant with a copy furnished to the Union. In class grievances, copies will be directed to the Union only. A rejection of a grievance at any step of the procedure must contain a statement of the reasons for the rejection.

Section 10. **Exclusions**

Counselings, and job description appeals are not grievable or arbitrable.

Any subjects excluded from the arbitration procedure shall also be excluded from the grievance procedure with the sole exception of reprimands, which shall be grievable but not arbitrable.

This grievance and arbitration procedure shall suffice as the requirement for establishment of a plan for resolving employee grievances and complaints, as required in Section 2-42 (18) of the Code of Miami-Dade County, FL and as required by Florida Statutes 447.401.
ARTICLE VIII – ARBITRATION

If the Union is not satisfied with the reply in Step 2 of the grievance procedure, the Union shall have ten (10) calendar days after receipt thereof to notify the Employer of intent to submit the grievance to arbitration. Within thirty (30) days following notification to the Employer, the Union must file a request for arbitration. The parties agree to attempt to find an attending physician arbitrator. If the parties cannot agree upon an arbitrator within five (5) days, the parties shall request a list of seven (7) arbitrators from FMCS or AAA. The parties shall strike from said list, alternately, three (3) names, after determining the first strike by lot, and the remaining name shall be the arbitrator. Except in the case of arbitrations arising from discipline related to patient care, the arbitrator shall promptly conduct the hearing on the grievance at which both parties shall be permitted to present their evidence and arguments.

Before any arbitration involving discipline arising from an alleged failure to deliver appropriate patient care is scheduled, the parties shall first comply with the following procedure.

The parties shall select a panel of three doctors with expertise in the relevant area to conduct a fact-finding hearing. One member of the panel shall be selected by the union, one by the PHT and the third by the first two members. The panel shall conduct a hearing and make a final decision within thirty (30) days after the close of the hearing regarding the appropriateness of the care provided. The panel’s decision shall be binding in any subsequent arbitration and the arbitrator shall have no authority to substitute his or her judgment for the medical judgment of the panel. The arbitrator shall, however, have the authority to otherwise determine whether the discipline was in accordance with the contract. The cost of the panel shall be divided between the parties.

The arbitrator shall limit his opinion to the interpretation or application of this Agreement and shall have no power to amend, modify, nullify, ignore or add to the provisions of this Agreement. The decision of the arbitrator shall be rendered in writing no later than thirty (30) days after the conclusion of the hearing, and such decision shall be final and binding.

Each party will pay its own expenses and will share equally in expenses incurred mutually in arbitration. Attending physicians required to testify will be made available without loss of pay; however, whenever possible, they shall be placed on call to minimize time lost from work and, unless directly required to assist the principal Union Representative in the presentation of the case, they shall return to work upon completion of their testimony. The intent of the parties is to minimize time lost from work and disruption of patient care.

Grievances, as defined, may be submitted regarding the matters contained in the Agreement or arising from conditions of employment, but shall not be allowed on credentialing matters.

Reprimands, and determinations under Article XIV Employment Practices, and Job Specification Language are not arbitrable.
ARTICLE IX – DISCIPLINARY ACTION

Section 1. Just Cause

An Employee shall not be discharged, disciplined or demoted except for just cause. The Employer will follow progressive disciplinary procedures, whenever appropriate, and in all instances will have the burden of proving just cause for disciplinary action taken.

Section 2. Procedure

A. Whenever it is alleged that an employee has violated any law, rule, regulation, or policy, that employee shall be notified in accordance with Section 2. E. of this article, and informed of the law, rule, regulation, or policy allegedly violated. The Employer shall initiate an investigation prior to notification to the Employee of a pending disciplinary action. The Employer shall conduct the necessary investigation to include full consideration of any documentation submitted by the employee prior to making a final decision.

B. The Employer agrees to inform the employee and the Union of their right to representation in the disciplinary process. The Employer will give the employee at least 48 hours written notice providing date, time and place that a disciplinary/counseling session is scheduled. This notice will include the law, rule, regulation, or policy allegedly violated and nature of the alleged violation.

C. Final disciplinary action determinations will not be rendered until the completion of the presentation and rebuttal meetings where the Employer and the Employee together with the Representative, through use of evidence, documents and witnesses, have the opportunity to present their respective cases. Rebuttal meetings must be scheduled within fourteen (14) calendar days unless mutually agreed between the parties. The Employer shall have fourteen (14) calendar days to render a decision following the rebuttal presentation unless time is extended by mutual Agreement. The Union and Employee shall receive a copy of the rebuttal response.

D. The Employer agrees that all disciplinary actions (dismissals, suspensions, demotions) except reprimands will be appealable by the Union to the Grievance and Arbitration procedures contained in this agreement.

E. Notices of disciplinary action, records of counseling and verbal counseling shall be given on a timely basis and insofar as practicable within twenty-one (21) days after the Employer discovers the facts requiring the notice, except where good cause for delay is shown. Good cause shall include, but not be limited to, the pendency of outside criminal, administrative or other proceedings.

F. Any disciplinary action currently in an employee file which is overturned shall be stamped invalid.
Section 3. Reprimands

Reprimands shall be appealable by the employee to the grievance procedure up to and including Step 2, but shall not be further appealable to an Arbitrator. Within thirty (30) days of the receipt of the Employer's reply to such a grievance the employee and/or the Union shall have the right to file a written response to the written reprimand and have said response inserted in the employee's personnel folder.

Written reprimands and records of counseling, together with any reference to such reprimands or records of counselings excluding performance evaluations, shall cease to be of any force or effect after a two (2) year period from receipt of the Record of Counseling or Written Reprimand in which the employee has received no further disciplinary actions or records of counseling. At the employee's specific written request, these shall be stamped in the employee's personnel file as no longer in effect.

The parties agree that bargaining employees are not entitled to any of the rights provided by the Hearing Examiner System (Miami-Dade Code 2.47).

ARTICLE X – HOURS OF WORK

The standard work week shall consist of forty (40) hours for full-time exempt job basis and hourly paid attending physicians assigned to Ambulatory Clinics, Dentistry, Corrections Health Services, Skilled Nursing facilities, Inpatient Services, Satellite Clinics and all other current areas. Each standard work day shall be eight (8) hours.

ECC/Ward D/Express Care full-time exempt hourly Attending Physicians shall have a standard work schedule consisting of one hundred forty-four (144) hours monthly. In no event shall any exempt hourly full-time Attending Physicians assigned to this area have a monthly schedule of less than one hundred forty-four (144) hours. However, those ECC physicians who have received schedules comprised of more than one hundred forty-four (144) hours, shall be entitled to continue to work those additional hours.

Additional Compensation

It shall not be the general policy of the Employer to require employees to work additional hours. However, when exempt hourly paid employees are required to work approved additional hours, in addition to their regular hours, they shall be compensated at straight time.

An exempt hourly paid employee shall not have the regular work schedule changed solely to avoid payment for additional hours. This article is intended to be construed only on the basis of additional pay for additional hours worked and shall not be construed as a guarantee of work per day or per week.
In situations requiring additional hours, volunteers in the same area as the additional hours available will be sought before the additional hours are offered to other attending physicians. In the event that sufficient volunteers are not obtained, additional hours will be assigned to the physicians in the area on a rotational basis pursuant to inverse seniority.

For purposes of interpretation, all hours in pay status shall be considered hours worked except for unplanned absences.

Section 1. Work Week

The work week shall begin on a Sunday and end on a Saturday.

Section 2. Time Schedules

A. Time schedules shall be done on a monthly basis. Every effort shall be made to post time schedules four (4) weeks immediately preceding their effective date. Established schedules may be amended at any time by mutual agreement of the employees involved with the consent of the appropriate supervisor.

B. ECC Scheduling
   1. Schedules will be made monthly with requests done by the first of the preceding month and schedules posted by the 12th of that month.
   2. The Employer will make every effort to provide ECC physicians up to seven (7) specific days off upon request, others “preferred off” as available. In the event that this is not possible to meet all specific days, seniority shall govern.

Section 3. Hours of Work

A. Employees working five (5) days per week schedules will not be scheduled for more than six (6) consecutive days without prior written consent of the employee.

B. For those employees whose schedules include weekends, the Employer will make every possible effort to provide employees with one or more years of employment every other or two weekends off per monthly schedule. Weekends are defined as Saturdays and Sundays for day and evening shift and as Friday and Saturday nights for night shift employees. To cover weekends normally worked during vacations, periods of illness, and other unavoidable absences, the employer will first seek volunteers for the weekend work, and if insufficient volunteers, may assign the work to employees beginning with the least senior.

C. If any employee does not desire every other weekend off or desires set days each week, the employee should make this request in writing to the
person responsible for the time schedule. While every possible effort will be made to adhere to paragraphs A and B, it is understood and agreed that patient care needs in each work unit will be the paramount consideration in work scheduling.

D. ECC physicians may continue to work more or less than eighty (80) hours per pay period and will accrue PL for all of those hours unless they have reached the employee’s maximum entitlement.

Section 4. Consecutive Shifts

No employee will be scheduled for more than two (2) different shifts in any one (1) work week unless the employee gives written consent.

Employees will not be required to work consecutive shifts except in emergency conditions. There will normally be a minimum of ten (10) hours between work shifts except in emergency circumstances. For purposes of this section only, staffing deficiencies which cannot be reasonably anticipated by the Employer shall be considered as emergency circumstances.

Section 5. Mandatory Inservice Training

Time spent by employees attending mandatory in-service training or other PHT required training will be counted as time worked.

ARTICLE XI – SALARIES

Section 1. Pay Day

The Employer shall make a good faith effort to include relevant data such as: accrued leave time and itemized deductions on each pay statement. Salaries shall be listed as such on the pay statement.

A. Pay day shall be every other Friday except for employees assigned to Inpatient Services, Express Care, Jackson South Community Hospital Minor Care, Emergency Care Center (ECC) and Ward D where pay day shall remain Thursday.

B. If a holiday is on Friday, pay shall be given on Thursday. For those paid on Thursday, payment will be Wednesday, if Thursday is a holiday.

C. The Employer will provide for direct deposit of pay checks in areas banks and credit unions upon proper application from individual employees who wish it. Employees shall be informed as to the procedures for proper application.

D. In the event of an error in the paycheck, a voucher in the corrected amount shall be made available to the employee within 24 hours of
reporting the error to the Payroll Department. In order for the voucher to be made available by 4:00 p.m. the same day, the error must be reported to the Payroll Department, with proper documentation, by 11:00 a.m. The voucher may then be picked upon by the Audit Section, General Accounting Department. Vouchers for errors reported to the Payroll Department, with proper documentation, after 11:00 a.m., will be made available for pick up at Cashiers Office within 24 hours. Vouchers that are not picked up by 4:00 p.m. in the Audit Section, General Accounting Department, will be given to the Cashier’s Office.

Section 2. Salary Increases

The Employer agrees that there shall be no selective wage adjustments or incentives for any classification or employee(s) covered by this Agreement, other than those specified, unless it shall first meet and negotiate with the Union concerning the amount of such adjustment and the reasons therefore pursuant to Florida Statutes Ch. 447.

Section 1. Personal Leave Day Program

Paid personal leave hours are provided under the Personal Leave Plan to cover time off from work that is planned and/or unplanned. All paid personal leave must be approved by the employee's department head, supervisor, or other designee.

A. A planned absence from work is defined as time off, requested and approved at least twenty-four (24) hours in advance by the employee's department head, supervisor, or other person designated to approve time off.
1. Except as provided in Section 3, paragraph 1 of this Article, requests for planned personal leave of more than three (3) days shall be submitted at least forty (40) days in advance unless extenuating circumstances give rise to the need to submit requests within a shorter time frame.

2. Requests for planned personal leave shall be approved based upon staffing needs and to insure proper and adequate patient care. Except as provided in Section 3 herein, requests for leave will be granted based on date of request. Such requests shall be responded to within fourteen (14) days.

B. An unplanned absence is defined as time taken off by the employee which is unscheduled and not approved in advance by the department head, supervisor, or other designee. In order to receive pay for hours not worked due to an unplanned absence, employees must provide timely notification prior to the start of the scheduled shift of work and a valid reason given to their supervisor or authorized designee as outlined in the Personnel Administrative Policy #358. Written documentation of illness will not be required unless a pattern of unplanned leave utilization exists. Personal leave hours accrue from date of hire.

C. Full-time employees are eligible for paid personal leave hours after the completion of six (6) months of continuous service or, in the case of regular part-time employees, after six (6) months of equivalent of service (1040 hours).

New full-time employees may take up to a maximum of forty (40) hours of paid planned personal leave during the first six (6) months of employment. However, the number of hours taken will be deducted from the total amount of hours accrued after the employee completes six (6) months of continuous service or its equivalent. Should the employee resign or be terminated prior to the end of the first six (6) months, the dollar equivalent of the number of hours taken will be deducted from the employee's final paycheck.

D. Full-time employees shall earn paid personal leave hours as follows:

1. During the first five (5) years of employment, 0.1115 hours shall be earned for each hour in pay status per pay period up to a maximum of 231.92 hours per year. ECC physicians will continue to work more or less than eighty (80) hours per pay period and will accrue PL for all of those hours unless they have reached the annual maximum.

2. This approximates 29 days per year. However, a full-time employee shall not be eligible to receive payment for personal leave days until after the first six (6) months of employment, except as outlined in Section 2.

3. In order to recognize longevity of service, employees with more than five (5) years of continuous service shall earn personal leave hours as follows:
**4.** Full-time employees who are assigned to work regularly scheduled ten (10) hour shifts shall earn an additional twenty-two (22) hours of personal leave per year (shorter periods of time will be prorated). Full-time employees who are assigned to work regularly scheduled twelve (12) hour shifts shall earn an additional thirty-eight point five (38.5) hours of personal leave per year (shorter or longer periods of time will be prorated).

E. Part-time employees shall earn personal leave hours based on actual hours worked:

1. During the first 10,400 hours (first five (5) full-year equivalents, FTE), 0.1115 hours shall be earned for every hour worked, up to a maximum accrual rate of 8.920 hours. However, part-time employees shall not be eligible to receive payment for personal leave until they have worked at least 1040 hours (six (6) month equivalent). ECC physicians will continue to work more or less than eighty (80) hours per pay period and will accrue PL for all of those hours unless they have reached the annual maximum.

After 3 years, 16 hours of personal leave are used for illness and after 10 years, 8 hours of personal leave are used; these personal leave hours shall be defined as unplanned absences. If sufficient personal leave hours are not available to cover a spell of illness, any uncovered portion shall be without pay, until benefits of the Extended Illness Leave Plan are in effect.

Employees who have at least 80 hours of unused Personal Leave/Vacation hours as of the election date (from December 1 through December 21) of any calendar year (the “Election Year”) may voluntarily elect to receive cash instead of 40 to 160 hours (for employees with less than 10 years of continuous service) or up to 240 hours (for employees with 10 years or more of continuous service), but for no more hours than they may accrue in the next calendar year (the “Accrual Year”). The election must be made in increments of one hour.

5. Payment of cashed-out hours will be made in the last pay period of December of the Accrual Year at the rate of pay at the time of payment. Upon employment separation for any reason before the end of the Accrual Year, all accrued personal leave hours, including hours designated as cash-out, shall be paid out in accordance with Section (I) below.

6. During the accrual year, accrued time shall be allocated on a pro rata basis between cash out and Personal Leave/Vacation time on the same percentage basis as the cash-out amount is to the potential maximum accrual. (Example: If an employee elects to cash out 120 hours and is entitled to accrue a maximum of 240 hours in the Accrual Year, personal leave accruals shall be allocated 50% toward cash out and 50% toward the leave balance.)
7. Income tax and Social Security tax will be withheld from all checks.
8. Elections to cash out leave must be made on a tax (calendar) year basis.
9. Employees are solely responsible for assuring appropriate leave balances for their personal needs. An employee will be without pay (out of pay status) if appropriate leave balances or other sources of payment or leave are not applicable.

I. Upon separation of employment, the employee shall be eligible for payment of accrued personal leave account hours.
   1. To qualify for a 100% terminal benefit from the personal leave account, a minimum of six (6) months of continuous employment (or its equivalent for part-time employees) must be completed. Further, for job basis employees a minimum of four weeks advance notice of voluntary resignation must be given and two weeks for hourly paid employees, unless extenuating circumstances warrant a shorter time frame.
   2. An employee who has been discharged after a minimum of six (6) months of continuous employment shall be paid 100% of terminal benefits.
   3. The terminal leave benefit for accrued personal leave account shall be paid at the employee's base rate.

If it becomes necessary to reduce FTE’s in an area of practice, the hospital will first seek volunteers in the area. If there is an insufficient number of volunteers, affected employees will be reduced in inverse order of hospital-wide seniority in the area of practice.

B. Shift Transfers. Recognizing that access to preferred shifts by employees can make an important contribution to employee morale and retention, the parties agree that all available vacancies shall first be posted at the work site for a period of seven (7) days and made available to employees within the area of practice by seniority.

C. Posting of Vacancies. If employees under paragraph B are not interested in the vacancy, the resulting vacancy shall be recruited for on
bulletin boards located throughout the Medical Center and satellite facilities for a period of fourteen (14) days in order that interested employees may make application for the open position. Concurrently, the vacancy may be recruited for through other appropriate means. The Employment Recruitment Office is responsible for posting all registered employment vacancies for which a personnel requisition has been submitted.

D. **Filling of Vacancies.** During this posting period, current employees with the necessary qualifications will be given preference over outside applicants. When skill, competency and ability are considered substantially equal in the judgment of the Employer, seniority shall be the deciding consideration in filling vacancies. All employees who apply for a posted vacancy shall be advised of the vacancy status as soon as practical. An employee’s current salary will not be a determining factor when considering employees for transfer.

E. There will be no less than two (2) nor more than three (3) weeks notice to the department from which an employee is transferred. In the event that the position being vacated is critical to the operation of the unit, the employee may be retained until such time as the employee is replaced. However, for pay purposes the transfer will be effective at the beginning of the pay period following acceptance.

**Section 2. Unit Mergers/Closings**

When one or more areas are merged, the following procedure will be utilized and policies implemented:

The area seniority of all affected employees shall be maintained and merged into one new area seniority list. Any shift selections or vacation scheduling in accordance with the collective bargaining agreement will be based upon this merged seniority.

**ARTICLE XVI – LAYOFFS AND RECALL PROCEDURE**

B. The procedure will apply to bargaining unit employees.

Seniority points will be calculated for each affected bargaining unit member. In calculating seniority points one (1) point will be assigned for each month of full-time service, one-half (0.5) point will be assigned for
each month of part-time service. Points for months of service are simply totaled with the final number being the retention score.

C. The Employer will make every effort to give sixty (60) days notice to the Union of any decision to layoff unit members. No less than twenty-one (21) days written notice will be given to bargaining unit members who will be laid-off. A copy of such notice will be sent simultaneously to the Union.

D. Layoffs shall be done in inverse order of seniority by use of five (5) lists contained below. Each list shall be clearly defined as area of current assignment. Bargaining unit employees on one list are not eligible to replace employees on another list unless they were assigned to the area for at least six (6) months within the last thirty-six (36) months prior to the affective date of the layoff action. The Trust has sole discretion to determine the area of assignment to be effected by the layoff. The five (5) agreed upon lists are:

1. ECC
2. Inpatient
3. Minor Care/Ward D/Clinics/CHS/Skilled nursing facilities
4. Dentist
5. OB/GYN

E. Layoffs, per the five (5) lists included above shall be accomplished in the two (2) distinct groups below.

2. Full-time bargaining unit members by inverse application of seniority. Full-time bargaining unit members shall be able to exercise bumping rights into full-time positions only.

F. Recall

1. Employees will be recalled in inverse order of layoff. Employees that have been laid-off will have recall rights to vacancies in their previously held position for a period of two (2) years from the date of layoff.
2. The Union will be notified of all employees on recall lists and vacancies, as offered and accepted.

governing body of the PHT (the Financial Recovery Board or, if the
Financial Recovery Board no longer exists, the members of the
Public Health Trust) after notice and public hearing.

2. The Employer will make every effort to give sixty (60) days written
notice to the Union of any decision to furlough unit members. No
less than twenty-one (21) days written notice will be given to
bargaining unit members who are to be furloughed.

existence during the term of the predecessor agreement.

currently being performed by members of the bargaining unit, the PHT will
notify the union. Notice of the solicitation will be provided as soon as
practicable but in no event later than members of the general public are
notified. If the County Commission solicits bids or proposals from the public to
contract out services currently being performed by members of the bargaining
unit, the PHT will provide the Union with notice as soon as it receives notice of
the County Commission’s solicitation.

Upon request by the Union, the PHT shall make available for inspection any
and all documents publicly available relating to the services contemplated for
contracting out, prior to action being taken by the Employer to accomplish the
contracting out. The Union may, within thirty (30) days or less if possible,
propose an alternative plan by which the work may be done economically and
efficiently by appropriate members of the bargaining unit. If the PHT receives
such a proposal from the Unions it will give such proposal reasonable
consideration.

Notwithstanding the foregoing, the PHT shall not contract out work performed
by attending physicians in the Emergency Care Center (ECC) through
September 30, 2012.

The Trust agrees that requiring employees to submit to testing of this nature shall be limited to circumstances that indicate reasonable grounds to suspect that the employee is under the influence of such substances, suffers from substances or alcohol abuse, or is in violation of the personnel rules or departmental rules and regulations regarding the use of such substances. Employees reasonably believed to suffer from substance abuse may be referred, at the department's discretion, to the Employee Assistance Program. An employee who is to be tested in accordance with the provisions of this article, will be permitted to make a phone call to the Union. This phone call shall not prevent, inhibit, or unreasonably delay the testing of such employee.

Such examinations will be performed by a physician approved and appointed by the Employer. The results of such examination(s) shall be promptly furnished to the concerned department director or their authorized representative. The results of the applicable information submitted by the examining physician to the Employer should be limited to information that is pertinent to the issues of the employee's ability to perform the duties and responsibilities of his/her position.

The department may require the employee or attending physician to furnish additional pertinent medical reports or information deemed necessary while the employee is on compulsory leave. The period of compulsory leave shall not exceed one (1) year. Should the condition be corrected and so certified by the attending physician or psychologist, the employee may petition the department

Any employee who participates in or promotes a strike, work stoppage, picket line, slowdown, or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the Employer.

It is recognized by the parties that the Employer and the Union are responsible for and engaged in activities which are the basis of the health and welfare of our citizens and that any violation of this section would give rise to irreparable damage to the Employer and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this section the Employer shall be entitled to seek and obtain immediate injunctive relief. However, it is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this section if it can show that the Union did not instigate, authorize, condone, sanction or ratify such action, and further, that the Union has used every reasonable means to prevent or terminate such action.

D. Failure to cooperate may result in coverage and/or defense not being afforded.

E. The PHT shall continue to provide legal representation and legal costs on the same terms and conditions as are currently provided.

B. Efficiencies

1. The Union agrees to provide additional concessions in the annualized amount of $15 million (total and not “per bargaining unit”) in a manner more specifically described herein. The Union agrees to propose operational efficiencies, defined as reductions in costs and/or generation of new revenue (including 50% of the amounts received through the SEIU/Sellers-Dorsey Initiative), with the goal of reaching an annualized savings in the amount of $15 million dollars for each year of this Agreement.

2. Effective March 1, 2012, PL accrual shall be reduced by 1.54 hours per pay period (as reflected in the chart, below), subject to the other paragraphs of this Article.

a. During the first five (5) years of employment, 0.09225 hours shall be earned for each hour in pay status per pay period up to a maximum of 7.38 hours (80 hours or more in pay status). This approximates 24 days per year. However, a full-time employee shall not be eligible to receive payment for personal leave days until after the first six (6) months of employment, except as outlined in Section 2.
b. In order to recognize longevity of service, employees with more than five (5) years of continuous service shall earn personal leave hours as follows:

3. In the event that on or before September 29, 2012 the Union does not meet its goal of providing operational efficiencies consistent with the process described in paragraph 6, below, in an annualized value of $15 million, then SEIU agrees to fill the shortfall through the implementation of a combination of the following concessions: the further reduction or adjustment of PL accrual described in paragraph B.2., above; modifications to the PTO program; and/or modifications to the Extended Illness Program. The shortfall may also be made up with other concessions as proposed by the Union and approved by management. The same procedure shall be utilized for fiscal years 2013 and 2014.

4. In the event that on or before September 29, 2012 the Union meets its goal of providing operational efficiencies consistent with the process described in paragraph 6, below, in an annualized value of $15 million, then the parties agree that $8 million of the $15 million may be utilized (at the Union’s election) to offset and restore retroactively the PL accrual described in paragraph B.2 above within four (4) pay periods of meeting the goal. In the event that on or before September 29, 2012 the Union exceeds its goal of providing operational efficiencies consistent with the process described in paragraph 6, below, in an annualized value in excess of $15 million, then the parties agree that 50% of the overage shall be utilized to reduce employee contribution toward group health insurance, prospectively. The same procedure shall be utilized in fiscal years 2013 and 2014.

5. The parties recognize that these operational efficiency proposals can only be developed with the highest degree of cooperation between Jackson and Union leadership. Jackson agrees to provide appropriate
support, access, and authority to the Union and its advisors and must provide a collaborative and efficient environment to evaluate and quantify operational efficiency proposals. The Employer commits that there will be no intentional delays or unreasonable denials or delays related to the vetting or approval of recommendations presented by the Union. The parties agree that any operational efficiencies originating from the Union that are vetted and approved by the Executive Steering Committee and validated by the PMO consistent with the process described in paragraph 6, below, will not be unreasonably denied approval or recognition by the Employer.

6. The Union and its advisors will present SEIU operational efficiency recommendations to an Executive Steering Committee as established by the Employer. This Committee shall consist of three voting members (the Chief Financial Officer, the Chief Medical Officer, and the Chief Operating Officer) and two non-voting members from the Union. This committee shall meet each month for the purpose of reviewing operational efficiency recommendations proposed by SEIU. Upon vetting and approval by management, which shall not be unreasonably withheld, the annualized value of the recommendations, as validated by the PMO, shall be counted as operational efficiencies as defined above. In addition, the SEIU recommendations already approved and quantified through the Joint Efficiency Task Force shall not be excluded as operational efficiencies in the event that they are approved in accordance with the process outlined herein, and only to the extent that they have not already been fully implemented as of ratification of this Agreement.

7. SEIU recommendations already approved and quantified through the Joint Efficiency Task Force shall be subject to gain sharing in accordance with the language of the March 18, 2010, Agreement, to the extent that they have been implemented as of ratification of this Agreement. The parties agree that any such gain sharing shall not count against or contribute towards the Union’s $15 million target for operational efficiencies as described in this Article.
