

Miracles made daily.

The Time to Work at Jackson is NOW!

The best benefits in all of Florida!

- A real retirement — defined benefit vs. defined contribution
- Guaranteed work week— no nurses sent home for low census
- 29 days of annual vacation/personal leave starting your first year
- Staffing ratios in all inpatient units, charge nurse free of assignment
- Formal partnership with management to improve quality outcomes for our patients
- Step raises with 4.2% increase between each step. Seventeen steps for clinical staff nurses
- Well-established, nurse-led union with history of strong contracts (see for yourself at seiu1991.org)
- \$10,000 sign-on bonus for new hires in difficult to hire units and \$2000 bonus for JHS employees who recruit experienced nurses
- Four insurance options — including one with no co-pays
